WALL STREET

London is attracting widespread attention among the stock market operators. It is significant that some of the best foreign banking houses are identified with this movement.

BANK BURGLARS GOT \$80,000

FIRMONT, O., March 12.—The vault of the Genoa Banking Company, of Genoa, Ottawa County, has been blown open by three men, who escaped in a stolen buggy and later on a hand car.

LONDON STOCKS BRISK AND PRICES RISE.

LONDON, March 12.—Money was in good demand in the market today owing to preparations for the settlement. Discounts were a shade firmer.

Stuck to It Until He Found the Right Cure for His Rheumatism.

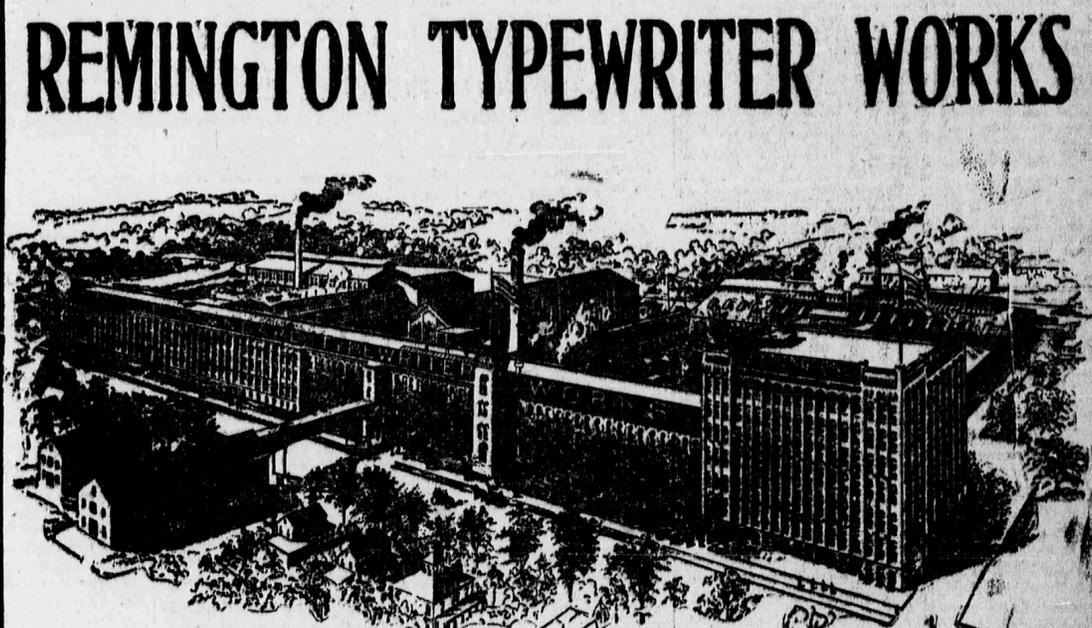

It doesn't do to give up when you have rheumatism, or you might suffer until you die. Others who keep trying eventually learn of the real cure and receive a new lease of life and happiness.

COTTON RISES ON GOOD BUYING.

The cotton market opened with considerable animation today, prices being unchanged to 1 point higher. Good commission-house business was a feature on the call, with the trading post-poned.

SULLY OUT OF BANKRUPTCY.

Judge Adams, in the United States District Court today, granted a discharge in bankruptcy to Daniel J. Sully and Edward Hadley, of the firm of D. J. Sully & Co., cotton brokers.

ever. Consols hardened on a good investment demand. Home Rails were active.

Americans opened irregular at about parity, but later hardened on good support, especially Louisville & Nashville, New York Central and Norfolk & Western, while Chesapeake & Ohio was easy on realization and a report

that there will be no dividend till September. During the afternoon prices were easier, but they partly recovered and closed steady.

Foreigners generally were easily steady with Japanese, Mexicans and Russians being inclined to ease. Imperial Japanese Government bonds of 1904 were quoted at 116 1/2. Mexican Rails were active on dividend prospect.
